

**G. B. PANT NATIONAL INSTITUTE OF HIMALAYAN ENVIRONMENT
KOSI-KATARMAL, ALMORA 263643 (UTTARAKHAND)**

Advt. No.- NIHE/SRC-04/26-27

Date: 03.09.2026

Applications are invited only from Indian citizens for the following purely project-based temporary position at **G. B. Pant National Institute of Himalayan Environment (NIHE), Sikkim Regional Centre Pangthang, Gangtok, Sikkim – 737 101** of the Institute. All Candidates who possess the required qualifications in the relevant subject/specialization with consistently good academic records and experience may submit their application through the **online recruitment portal** (<https://gbpihed.gov.in/vacancy.php>) only on or before **11:59 PM on 18th Sep 2026**.

The short-listed candidates will be informed separately about mode of interview, date and time.

Post Code	Position & Emoluments	Qualification	Responsibility
1. In-house 02 project entitled “Resilience Building in Climate - Sensitive Basins in the Indian Himalayan Region- Mapping Vulnerable Hotspots and Communities for Risk Reduction and Adaptation”.			
SRC 26-27- 0401	Junior Project Fellow @ 24,000/- +HRA per month and @ 28,000/- +HRA per month (After 2 years) (01 No.) Age limit: 28 years	Essential: First class Master Degree in Physical Science, Atmospheric Science, Earth science, Natural Resources Management, Geology, Geography, Economics, Environmental Science, Remote Sensing & GIS, Geo-informatics or related subjects Desirable: Preference will be given to candidates having good academic record, experience of working in the field in Himalaya, a sound knowledge of data analysis, scenario analysis, modelling, RS& GIS and Statistical tools (R-Studio Statistical, MATLAB etc). Experience of data compilation/analysis and synthesis and proven record of scientific writing. Good communication skills and computer knowledge & data analysis.	1. Surveys, data collection, sampling, instrumentation at the field site. 2. Mapping and modelling works using RS & GIS and statistical methods 3. Data analysis and vulnerability assessment at basin and community level. 4. Organizing workshops, capacity building, extension and outreach programmes. 5. Publications including report writing.

2. CCRAS project entitled “North-East Consortium of Medicinal & Aromatic Plants (NECMAP) – Phase I (Establishment)”

SRC 26-27- 0402	Junior Research Fellow (JRF) @37,000/- +HRA per month (01 No.) Age limit: 28 Years	Essential: First class Master degree in Botany, Computer Science, Bioinformatics or related subjects from a recognized university. Desirable: 1. Work experience in plant, taxonomy, medicinal and aromatic plants, forest surveys and conservation Biology. 2. Experience and sound knowledge of field work in mountainous region and plant sample collection	1. Conduct systematic survey, exploration and geo-referenced collection of medicinal and aromatic plants. 2. Perform taxonomic identification, herbarium preparation, and documentation of medicinal plants. 3. Development of a structured digital database on medicinal & aromatic plants under the NECMAP consortium. 4. Establishment and main tenance of gene bank / conservation facilities and display centre. 5. Organizing training programs, Workshops and awareness activities. 6. Compile, analyse and report scientific data; preparation of technical reports, publications, and project documentation.
------------------------	---	--	---

3. NMHS project entitled “Ecohydrology and vulnerability assessment in groundwater-fed and snow& glacial-fed River systems of western and eastern Himalaya under warming climate”.

SRC 26-27 - 0403	Junior Research Fellow @37,000/- +HRA per month (01 No.) Age limit: 28 Years	Essential: First class Post Graduate degree in (M.Tech/ M.Sc /M.E/ other relevant) in Civil Engg./Water resources Engineering/Earth Sciences/ Remote Sensing & GIS/ Geo-informatics/Geology or Science(Geography) Desirable: Preference will be given to the candidate having experience and training/ knowledge of watershed management/field investigation/ hydrological simulation modeling for rainfall-runoff, HECRAS, SWAT or similar hydrological model/ Remote sensing & GIS, water Resource management, Exposure to Matlab, Python and R-Studio	1. Mapping through RS and GIS technique 2. Field instrumentation and monitoring and analysis 3. Integration and model development. 4. Organising outreach programmes and community consultation and capacity building 5. Review and report writing.
-------------------------	---	--	--

SRC 26-27 - 0404	Field Assistant @ Rs.16,000/- fixed per month (01 No.) Age limit: 35 Years	Essential: At least graduate in any discipline from a recognized university Desirable: Preference will be given to the candidate having experience, strong interest and background in field surveying, field equipment and hydrologic instrumentation, hydrological data collection and analysis as well as in computer data entry	1.Assistance in field instrumentation, regular monitoring and survey in gauging sites in Tista River. 2.Data collection, download and entry and ensure the safety of equipment's in remote locations.

General Instructions

1. Application may be submitted through online recruitment portal (<https://gbpihed.gov.in/vacancy.php>) only on or **before 11:59PM on 18th Sep 2026.**
2. Minimum requirements of qualifications and/or experience can be relaxed in respect of exceptionally outstanding candidates. The Institute reserves the right to increase or decrease the number of positions, to fill up or not to fill up any or all the posts or to shortlist and select the candidates in any suitable position depending upon the qualification and experience required for the said post.
3. Candidates appearing for interview (Physically) must bring original documents pertaining to their educational qualifications & experience along with one set of photocopies.
4. The experience will not be considered without an experience certificate.
5. The selected candidate(s) are expected to join immediately.
6. The selected candidate is liable to be posted anywhere in India.
7. No TA/DA shall be paid for attending the Interview.
8. Institute reserve the right to disengage the manpower at any time without assigning any reasons thereof.
9. The engagement is purely temporary in nature.
10. In case of any dispute/ambiguity that may occur in the process of selection, the decision of the Institute in all matters relating to eligibility, acceptance or rejection of applications, mode of selection, and the conduct of examination/ interview will be final and no query or correspondence will be entertained in this connection from any individual or his/her agency.
11. Canvassing in any form will be treated as disqualification.
12. Mere fulfilling of a minimum advertised qualification and experience requirements DO NOT automatically entitle an applicant to be called for an Interview/ Test(s). The candidate should, therefore, mention in the application all the qualifications and experience in the relevant field over and above the minimum prescribed qualification, supported with documents. In case the number of applications received is large, the institute reserves the right to raise the minimum eligibility level in order to restrict the number of candidates to be called for interview/ test, commensurate with the number of vacancies. The decision of NIHE in this regard shall be final.
