Training

on

‘Monitoring of environmental parameters: a hands-on experience’

(Funded by DST-SERB Accelerate Vigyan scheme under Vritika program)

Duration: 15th Feb to 15th April 2022

Applications are invited for Certificate training on ‘Monitoring of environmental parameters: a hands-on experience’ funded by DST-SERB Accelerate Vigyan scheme under Vritika program for the duration 15 Feb 2022 to 15th April 2022. Last date of submission of scanned copy of application is 20th January 2022.

Title of the training: Monitoring of environmental parameters: a hands-on experience

Number of seats: 5

About the training

The training will be useful for all those working or wants to work in the field of environmental monitoring including assessment of water quality/ soil quality/hydrological studies/ hydro meteorological studies/use of RS-GIS tools for environmental monitoring. It will give the intern a hands-on experience on selected topics of training. There will be only one seat in each above-mentioned area and final topic will be decided by the respective scientists. The selected interns will be attached to the scientist (s) for the duration of 2 months with whom the interns will work on specialized area under the broad category of Environmental Sciences/ Chemistry.

Course duration: 15th Feb to 15th April 2022 (2 months)

Eligibility: Candidate pursuing master’s degree or in the initial phase of Ph.D. in related broad subject area are encouraged to apply for training.

Age limit: 28 years as on 15th February 2022 (Relaxation to Reserved categories as per GOI rules)

How to apply: Interested candidates must apply on the prescribed application format. The scanned copy of duly completed application form with candidate’s resume must be emailed to the email id trainingvritika@gmail.com up to 20 January 2022, and selected applicant can submit the hard copy later.

Note:

1. Based on merit, 5 candidates will be shortlisted as interns for this training program.
2. All the expenses (including TA (as per GoI norms), stationery, consumables, accommodation, and food for the participating students) will be bear by the institute through the SERB funding.
3. Travel expenditure by shortest route will be provided up to sleeper class by train/ ordinary bus.
4. The applicants have to produce ‘a letter of authentication’ from their Supervisor / Head of the Department / Head of the Institute indicating their association with the institute and “No Objection Certificate (NOC)” for allowing their student to undergo internship, if selected.
