

**G.B.PANT NATIONAL INSTITUTE OF HIMALAYAN ENVIRONMENT
HIMACHAL REGIONAL CENTRE, MOHAL, KULLU, HIMACHAL PRADESH
CALL FOR VRITIKA INTERNS UNDER SERB-ABHYAAS VRITIKA PROGRAM**

Applications are invited from interested post graduate students in science and technology and early-stage Ph.D. scholars for the internship program entitled ‘**Environmental monitoring: A hands on experience**’ funded by DST-SERB under ABHYAAS-Vritika program. Total 5 interns will be selected for the program. The internship program will be given a hands-on experience to the interns by monitoring environmental parameters by working in Kullu, H.P. and nearby regions under 2-month short term internship.

Eligibility criteria

Pursuing post graduate in science/technology/engineering or early-stage Ph.D. scholars (initial 1-2 years) working on environmental issues

Essential documents

The applicant has to attach all the required document related to essential educational qualification in the prescribed google form. The applicant must produce a letter of authentication from their supervisor or head of the department or head of the organization/ institute (whichever is applicable) along with duly signed ‘No-objection certificate’ (preferably on letter head) for allowing the applicant to undergo 2 months internship.

Nature of support

This 2-month internship program (August -September 2023) is funded by DST-SERB and all the necessary expenses of the selected interns will be covered under the program, including travel expenses. (as per government norms), food, stay, stationary items, essential consumables required for work, etc. No stipend will be provided during the internship.
